

2021 Volunteer Museum Skills Development Grant - Recipients

| Recipient | Project Name | Summary | Amount Awarded |
|--|--|--|----------------|
| Collection of Red Rock History (CoRRH) | Red Rock Oral History Project | Training workshop by Dr Jo Kijas to enable members of CoRRH to record oral history of Red Rock's older residents. The workshop will take place at Lynch Cottage, Red Rock. | \$3,150.00 |
| Mount Erin Heritage Centre | eHive Training Workshop | To train volunteers in museum cataloguing using eHive, a web based collection management tool, thereby empowering community to engage with their own historic material and preserve the provenance of the material culture. | \$3,347.72 |
| Narrandera Parkside Cottage Museum | eHive Training for Narrandera Regional Museums Network | Engage Museums Consultant Gay Hendrickson to facilitate eHive and Cataloguing Training for volunteer museums in the Riverina/MIA region. | \$2,853.00 |
| Prince Henry Hospital Nursing and Medical Museum | Prince Henry Hospital Museum Skills Training | To engage Museum Consultant Teagan Anthes to conduct a full one day session on Collection care, preventative conservation and three half day sessions to build skills and practical knowledge in lighting and display, storage and handling and cataloguing and labelling. | \$2,300.00 |
| Rocky Hill War Memorial Museum | Collection Management and Preservation Workshop | To run a two day workshop with an external conservation consultant from Art & Archival. The aim of the activity is to provide professional development for volunteers and staff to improve day to day management and long term preservation of the collection. | \$2,860.00 |
