## awards 2022

### 2022 IMAGinE Awards Guidelines

**Nominations close: 5pm, Monday 29 August 2022**

Established in 2008, the IMAGinE awards celebrate and recognise the projects and programs created and presented by NSW museums and galleries and the people that make it happen and bring it all to life. Across all categories, we are on the lookout for leadership, innovation, diversity and creativity.

The museums, galleries and Aboriginal cultural centres of NSW provide historical, contemporary and future context. They tell stories about their communities and reflect on what they might become. Their programs record history and grow ideas; they generate and support creative processes that contribute to economic, social and health related wellbeing. They help build resilient and sustainable communities.

IMAGinE celebrates all institutions and pays homage to those organisations run by volunteers, with limited budgets and minimal resources. The awards highlight the resilience, innovation and creativity of museums, galleries and Aboriginal cultural centres. These awards offer a unique opportunity for museums and galleries in NSW to advocate, promote their achievements and raise their profile within the sector and the broader community.

Winners will be promoted online and via social media.
